

INTRODUCING THE SUSTAINABLE LIFE SKILLS CAFÉ PROJECT

A EUROPEAN MOVEMENT TO FOSTER SOCIAL
INCLUSION AND SKILL DEVELOPMENT

We're thrilled to introduce an innovative initiative funded by Erasmus+, the Sustainable Life Skills Café. This ground-breaking project aims to create community-driven café events that foster sustainable skills and encourage social inclusion. The target groups are migrants, marginalised individuals, and low-skilled adults.

Soft Skills – The Foundation of SLS Café

Soft skills are indispensable in today's society, influencing all aspects of life, particularly in business and social interactions. The essential soft skills that SLS Café will focus on include communication, teamwork, critical thinking, adaptability, and leadership. These skills are fundamental in areas where social relationships play a crucial role in the quality of work.

Objectives and Features of SLS Café

The specific objectives of SLS Café are as follows:

- **Comprehensive Toolbox Development:** Crafting a supportive, simple, and easy-to-understand set of state-of-the-art methods to foster a sustainable life skills mindset.
- **Establishment of SLS Cafés:** Providing an inspiring, low threshold learning environment tailored for the target group, along with a handbook for widespread implementation.
- **Interactive Mobile App and Tools:** Developing an interactive mobile app, exchange platform, and a calendar/location tool to ensure free and broad access to all project results.

Upcoming Milestones

The toolbox will be published soon on the project website, marking the first significant step towards developing the handbook and launching the in-person SLS Café events, scheduled for 2023.

We invite you to be a part of this exciting journey towards a more sustainable and inclusive world. Stay tuned for updates on the SLS Café project and get ready to explore the vast world of possibilities that await you.

Vision of SLS Café

Our collective vision is to make SLS Cafés a global movement. It's a place where low-skilled adults can convene to discuss ideas, receive feedback, up-skill each other, make friends, socialise, and connect with experienced business mentors. It's more than just a learning environment; it's a space to build relationships and find inspiration.
